

Internship Opportunities at the AEB

There are currently internship opportunities open at the AEB in Moscow for qualified candidates. AEB internships are aimed at final year students or recent graduates and are full-time positions lasting 3 -6 months. The AEB attempts to cater its internship program to the particular interests of the applicants. We therefore ask all applicants to specify in their cover letter which of the departments of the AEB they are interested in, and what they hope to gain from the experience of working in Moscow.

There is some overlap in duties which are combined with administrative tasks. We expect a certain flexibility and an ability to assist with a variety of assignments based on the needs of the organisation at the time of the internship. The working language in the office is English. Knowledge of Russian is desirable, but not mandatory.

Please note that AEB internships are unpaid.

Please e-mail Svetlana.Erina@aebrus.ru if you are interested in internship opportunities
