Dear AEB members,

For seven years we have been supporting Western companies in business set-up and expansion in Russia and the CIS.

We have offices in Russia, Belarus, Ukraine and Kazakhstan and provide services in Accounting incl. IFRS, Tax Consulting, General Director-Function, IT, Recruiting (Finance-, Accounting-, IT- and Admin-Positions), Work Permit and Visa-Support as well as overall market entry consulting.

And now we would like to make you a special offer as AEB member:

Free of Charge 1/2-Hour Consultation **at our office (Moscow or St. Petersburg)**

We would consult you with pleasure on one of the following topics:

- **Taxation of foreign experts in Russia and the CIS:
What the employer should know**
- **Financing options for OOOs and tax implications**
- **Tax issues during the start-up period of an OOO or branch**
- **IT tools for automation of Accounting and Reporting**
- **Comparison of different versions of the accounting program 1C**
