

We will take care of your car fleet so you could concentrate on your main business.

We will reduce your costs! While you are meeting your business challenges, we are dealing with your cars.

We are pleased to present the new Fleet Sales Program 2010 for our corporate clients:

- For each client we have individual approach and flexible price system. Our fleet managers will find tailor-made solutions for all specific business needs (cars and services).
- Our special services include:
 - Leasing program (financial and operative leasing)
 - Credit financing
 - Service Contracts
 - Insurance on preferential terms
- Fixed Buy-back price will guarantee you 100% control of your costs
- Prolonged 5-day test-drive will give you and your employees the full impression of Mercedes-Benz cars. We can deliver the required car right to the door of your office, because we value your time. We have the widest selection of test-drive cars in Moscow. We are also eager to participate in your corporate events offering test-drives for your employees and presenting Mercedes-Benz cars.
- Easy process of car evaluation for Trade-in
- Privileged Service Cards will provide you with discounts for spare parts and labour at our service stations – Mercedes-Benz Center and Mercedes-Benz Sever (Mercedes-Benz Sever is the largest service station in Moscow opening in April)

- Personal aftersales manager will take care of your car fleet. We will provide:
 - Courtesy car for max. 5 days free of charge in case of warranty repair
 - Transfer for your drivers from Mercedes-Benz Sever service station to the nearest metro station

Additionally for our passenger cars fleet clients we offer*:

- Corporate tariffs for employees who would like to purchase cars for private needs
- Safety driving training organized by experienced staff from Safety Drive Academy

Additionally for our commercial vehicles fleet clients we offer:

- Personal sales manager will coordinate your order and production of specialty-equipment by certified Mercedes-Benz partners.
- All repair works for specialty-equipment installed by certified Mercedes-Benz partners will be done at Mercedes-Benz Sever service station.
