Mr. M. Galperin

Application for the right to exercise the functions of a permanent acting arbitration institution

Dear Mr. Galperin,

The Non-Profit Making Partnership Association of European Businesses (the AEB), being the main representative of the interests of foreign investors in the Russian Federation, sends you its regards.

The AEB is taking active steps to improve the investment climate in the country and to strengthen Russia's status as one of the world's business centres. The AEB has more than 60 committees, subcommittees and working groups acting on a permanent basis, covering various branches of the economy and serving as an effective intermediary between the state and business. In 2017 the AEB has 528 member companies, which operate in the main sectors of the Russian economy.

The Association of European Businesses, under which the AEB Arbitration Court (the AEB AC) is established, requests that you review our documents at the Council for the Improvement of Arbitration Proceedings in accordance with the legislation of the Russian Federation, in order to issue a recommendation to the Government of the Russian Federation on granting the AEB AC the right to exercise the functions of a permanent arbitration institution.

With hope for a positive response to our request.
Best regards,

Lodewijk Schlingemann
Chairman of the General Meeting
