Anton Zykov

Responsibility occurs for persons who have been subject to criminal prosecution. Outcome is not relevant.

The amount of damage to be refunded includes arrears and penalties, but not a fine

Main conditions of responsibility:

- exhaustion special tools to collect tax arrears
(exc.- the organization serves only as a "cover" for the actions of the controlling person)
- establishment of a full civil tort:
 - the illegitimacy of the actions of a person
 - guilt
 - cause-and-effect relationship between actions and harm
- assessment of the amount of damage that can really be recovered from an individual

Ruling No. 39-Π. Was It A Surprise?

- 28 February 2017 No. 396-O
