14:15-16:00	<p>B2B MEETINGS A special session of direct negotiations between car manufacturers and car components producers will be held in the scope of the Forum Programme.</p> <p>Event format: The timetable of meetings is agreed with the forum organisers in advance. Before the event all negotiating parties will get an individual timetable of their meetings. Duration of each meeting: 10 minutes.</p> <p>How that works: We get Executive Officers and Managers of Procurement Departments together. You arrange to see required Buyers in particular time in advance. A timetable of meetings is drawn-up. At the appointed time you come to an individual table. For car components manufacturers it is an opportunity to conduct negotiations on supplies for 1 day at single hall without wasting the time. List of participants will be announced shortly</p>
